

Waterborne Gun Kleen

Waterborne Spray Gun & Equipment Cleaner

- VOC Compliant
- Maximum Strength, Quick Acting Formula
- Chlorinated Solvent Free
-

CMA Waterborne Gun Kleen is designed to easily remove waterborne coatings from stainless spray guns and equipment.

Directions for use:

- Shake container well before each use.
- Pour **Gun Kleen** into plastic spray bottle and spray directly on surface; or apply with a clean lint-free cloth.
- For additional spray gun cleaning, spray into fluid passages while holding trigger open.
- For easiest coating removal, spray equipment should be cleaned while waterborne coatings are still wet.
For fully dried coatings, spray on equipment and let soak.
- Dispose of removed coatings accordingly to local and state laws.
- NOT for use with solvent based coatings
- Store in a cool, dry place with adequate ventilation away from heat, sparks, or flames.

Contains:

Acetone 67-64-1

2-(2-Butoxyethoxy)- Ethanol 112-34-5

1,2- Propanediol 57-55-6
